

CLINIQUE ACNE SOLUTIONS CLEANSING FOAM- salicylic acid liquid
CLINIQUE LABORATORIES LLC

CLINIQUE ACNE SOLUTIONS CLEANSING FOAM

Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne treatment

Uses

- treats acne
- clears acne blemishes
- helps prevent development of new acne blemishes

Warnings

For external use only

When using this product using other topical acne drugs at the same time or right after use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- pump dispenser 2-3 times
- massage gently over wet skin, avoiding eye area
- rinse
- use AM and PM
- if bothersome drying or peeling occurs, reduce usage to every other day
- after acne clears, continue using for preventative care
- follow with Acne Solutions Clarifying Lotion

Drug Facts

Active Ingredient

Salicylic acid 2%

Purpose

Acne treatment

Uses • for the management of acne • treats acne • clears acne blemishes • helps prevent new acne blemishes

Warnings

For external use only

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If this occurs, only use one topical medication at a time.

Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions • pump dispenser 2-3 times • massage gently over wet skin, avoiding eye area • rinse • follow with Acne Solutions Clarifying Lotion • if bothersome drying or peeling occurs, reduce usage to every other day • because excessive drying of the skin may occur, start with one use daily, then gradually increase to twice a day if needed or as directed by a doctor • after acne clears, continue using for preventative care
