

PYRAMAX- pyrantel pamoate suspension (5% pyrantel base) suspension
Vetr, LLC

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click [here](#).

PyraMax Pyrantel Pamoate Suspension (50 mg/mL pyrantel base)

- Abdominal cramps, nausea, vomiting, diarrhea, headache or dizziness sometimes occur after taking this drug. If any of these conditions persist, consult a physician.
- Keep this and all medications out of reach of children.
- In case of accidental overdose, seek professional assistance or contact a Poison Control Center immediately.
- If you are pregnant or have liver disease, do not take this product unless directed by a physician.
- Shake well before use.
- Adults, children 12 years of age and over, and children 2 years to under 12 years of age: Oral dosage is a single dose of 5 milligrams of pyrantel base per pound, or 11 milligrams per kilogram, of body weight not to exceed 1 gram.
- Take only according to directions and do not exceed the recommended dosage unless directed by a physician. Medication should only be taken one time as a single dose, do not repeat treatment unless directed by a physician. When one individual in a household has pinworms, the entire household should be treated unless otherwise advised. See WARNINGS. If any worms other than pinworms are present before or after treatment, consult a physician. If any symptoms or pinworms are still present after treatment, consult a physician.
- This product can be taken any time of day, with or without meals. It may be taken alone or with milk or fruit juice. Use of a laxative is not necessary prior to, during or after medication.

Each mL of Pyrantel Pamoate Oral Suspension contains the equivalent of 50 mg of Pyrantel Base (as Pyrantel Pamoate).

Each mL of Pyrantel Pamoate Oral Suspension contains the equivalent of 50 mg of Pyrantel Base (as Pyrantel Pamoate).

Citric acid, potassium sorbate, purified water, glycerin, sodium benzoate, sucralose, natural flavor

For the treatment of pinworms
