Cat Lax®

A palatable formula for the elimination and prevention of hair balls in cats

For veterinary use only.

Indications and Usage

For Use in Cats Only

Recommended to help eliminate and prevent hair balls in cats in a palatable formula

Active Ingredient

Cod liver oil 0.02g/g, white petrolatum 0.474g/g, barley malt syrup 0.474g/g.

Inactive Ingredients

caramel, lecithin, 0.1% sodium benzoate, (preservative), 0.036 I.U./g Vitamin E (dl-alpha-tocopheryl Acetate) (antioxidant), purified water.

Cautions

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

Safe use in pregnant animals or animals intended for breeding has not been proven.

Directions for Use

Use For Hair Ball Removal: For average weight adult cats, administer once daily. Squeeze approximately one inch of Cat Lax® from tube.

For smaller cats, vary amount accordingly.

For Prevention of Hair Ball Formation: Administer two or three times per week.

Warnings

Not for human consumption.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

Storage and Handling

Store at room temperature.

Keep container tightly closed. To avoid contamination do not touch tip of container to any surface. Replace cap after using. Please note cap/closure has tamper indicative feature.

Do not use if previously opened.
