Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

Stypic Powder

Active Ingredients

Ferric Subsulfate 35.0%.....Hemostat

Uses:

Help stop bleeding of minor cuts and scratches.

Inactive Ingredients:

Ammonium Chloride, Bentonite, Diatomaceous Earth, Potassium Aluminum Sulfate.

Directions

Apply a pinch of styptic powder to the bleeding area, using moderate pressure until the bleeding stops. Do not use in deep wounds, body cavities, or burns. If bleeding does not stop, consult a veterinarian.

Warnings

For external use on animals only. Do not use on deep cuts that require stitches or on severe wounds or body cavities.

Keep this and all pet products out of reach of children.

Store at temperature between 66-77 F
