Purified Water, Sodium Benzoate, Ascorbic Acid , Strawberry Flavor , Sucralose, Red #33

Description

SoluVita® Sodium Fluoride Drops is a dietary supplement of fluoride to be used only under the supervision of a medical professional for patients living in areas where the drinking water fluoride level does not exceed 0.6 ppm.

See the guidelines for supplementation from the American Dental Association (ADA) and American Academy of Pediatrics (AAP) under the Dosage and Administration section.

WARNINGS

KEEP OUT OF REACH OF CHILDREN. In case of accidental overdose, call a Poison Control Center immediately.

Do not use in areas where drinking water fluoride level exceeds 0.6 ppm. Do not administer to patients less than 6 months old.

Storage

Store at controlled room temperature 20-25°C (68-77°F). Excursions permitted 15-30°C (59-86°F). After opening, store away from direct light. Close tightly after each use.

Tamper-Evident

Do not use if seal under cap is torn, broken or missing.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease and should be used

only under the supervision of a medical professional.
