Uses Helps prevent sunburn. If used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early signs of aging caused by the sun

Indications and Usage

Helps prevent sunburn. If used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

Warnings

For external use only

Do not use on damaged or broken skin. **When using this product** keep out of eyes. Rinse with water to remove. **Stop use and ask a doctor if** rash occurs. **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

Keep out of reach of children

Keep out of reach of children.

Directions for Sunscreen Use

Directions For Sunscreen use: Apply generously and evenly 15 minutes before sun exposure. Reapply at least every 2 hours. Use a water resistant sunscreen if swimming or sweating. **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including: Limit time in the sun, especially from 10 a.m. - 2 p.m. Wear long-sleeved shirts, pants, hats, and sunglasses. **Children under 6 months of age: Ask a**

doctor.

Other Information

Other information. Protect this product from excessive heat and direct sun. May stain some fabrics.
