

MEDICATED FOAMING FEMININE- lactic acid, boric acid, chlorhexidine gluconate, cnidium monnieri fruit, levomenol gel
Rida LLC

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Active Ingredient

Purpose

- Lactic Acid 0.5%: Maintains natural pH levels, fostering a healthy environment to prevent irritation and infections.
- Boric Acid 0.5%: Restores and stabilizes acidic pH levels, effectively preventing yeast infections.
- Chlorhexidine Digluconate 1%: Offers potent antibacterial protection, reducing the risk of bacterial infections without disrupting the vaginal flora.
- Cnidium Monnieri Fruit Extract 0.5%: Provides anti-inflammatory properties, soothing the skin and reducing any potential irritation.
- Bisabolol 0.3%: Calms and soothes the skin, reducing redness and providing a gentle, comforting effect upon application.

Uses

- Antimicrobial action: Effectively targets and eliminates harmful bacteria to maintain natural balance.
- UTI Defense: Actively helps to prevent urinary tract infections.
- Odor Control: Neutralizes odors, leaving you feeling fresh and clean.

Warnings

- **For external use only.**
- **Do not use:**
 - On broken or punctured wounds.
 - On animal bites.
 - On serious burns.
- **When using this product:**
 - Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
 - Do not apply large amounts to the body.
- **Stop use and ask a doctor if:**

- Irritation or redness develops.
- Condition worsens or does not improve within 7 days.

Directions

- Wet the area: Begin by splashing water on the external vaginal area or take this step while in the shower or bath to ensure the area is moist.
- Apply the wash: Pump a small amount of the foam onto your hand. The foam should be rich and airy. Typically, two pumps are sufficient.
- Gentle Cleansing: Gently apply foam to the delicate areas. Use your hand to spread the foam, covering the entire area with gentle, circular motions. Avoid using sponges or washcloths, as they can be too abrasive.
- Rinse thoroughly: After cleansing, rinse thoroughly with warm water. Ensure all traces of the wash are removed to avoid irritation.
- Pat dry: Gently pat the area with a clean towel. Avoid rubbing, as this may cause irritation. It's important to ensure the area is completely dry before dressing to prevent moisture buildup, which can lead to irritation or infections.

Other Information

- Lot number and expiration date: See packaging for details.
- Keep out of reach of children. If swallowed, call a poison control center right away.
- Store at room temperature. Keep the bottle tightly closed. Avoid direct sunlight and excessive heat to maintain product integrity.

Inactive ingredients

Water (Aqua), Glycerin, Cocamidopropyl Betaine, Sodium Lauryl Glucose Carboxylate, Lauryl Glucoside, Xanthan Gum, Sodium Benzoate
Citric Acid, Allantoin, Panthenol, Aloe Barbadensis Leaf Juice, Tocopherol (Vitamin E), Ethylhexylglycerin

Product label

DIRECTIONS FOR USE:

- **Wet the Area:** Begin by splashing water on the external vaginal area or take this step while in the shower or bath to ensure the area is moist.
- **Apply the Wash:** Pump a small amount of the foaming wash onto your hand. The foam should be rich and airy. Typically, one or two pumps are sufficient.
- **Gentle Cleansing:** Gently apply the foam to the external parts of the vaginal area. Use your hand to spread the foam, covering the entire area with gentle, circular motions. Avoid using sponges or washcloths, as they can be too abrasive for delicate skin.
- **Rinse Thoroughly:** After gently cleansing the area with the foam, rinse thoroughly with warm water. Ensure all traces of the wash are removed to avoid any potential irritation.
- **Pat Dry:** Pat the area gently with a clean towel. Avoid rubbing the skin, as this can cause irritation. It's important to ensure that the area is completely dry before dressing to prevent moisture buildup, which can lead to irritation or infections.
- **Frequency of Use:** Depending on personal needs and doctor's recommendations, this wash can be used daily or as needed. Some women prefer to use it during specific times, such as during menstruation, after exercise, or in particularly humid weather.

Gynocare

Advanced Medicated Foaming Feminine Wash

Designed for Delicate Areas

- Odor Shield Technology
 - Soothe & Comfort
 - Antimicrobial Protection
 - Hypoallergenic & Fragrance-Free
- 150 ML e 5 FL OZ

Why We Created This Product:

Dedicated to empowering women to feel confident and comfortable, we developed this Medicated Feminine Wash to provide a gentle, effective solution for intimate care. Our formula supports the natural balance of your most delicate areas, ensuring daily freshness and protection against irritation.

KEY BENEFITS:

Antimicrobial Action: Effectively targets and eliminates harmful bacteria to maintain your natural balance.

UTI Defense: Actively helps to prevent urinary tract infections for peace of mind.

Odor Control: Advanced formula neutralizes odors, leaving you feeling fresh and clean.

RECOMMENDED USE:

• **Pregnancy & Postpartum Care:** Safe and soothing during sensitive times.

• **Menstrual Hygiene:** Essential support during your period.

• **Sexual Well-being:** Use before and after intimate contact to ensure optimal cleanliness and comfort.

• **Daily Confidence:** Ideal for daily use to maintain a healthy and fresh feeling.
