-----

**Cold-EEZE Cold Remedy Sugar Free Cherry**

***Drug Facts***

***Active ingredient***

***Active ingredient (per lozenge )***

Zinc Gluconate 2X HPUS † (2.3%) (13.3 mg zinc)

† The letters 'HPUS' indicate that the active ingredient is in the official Homeopathic Pharmacopeia of the United States.

***Purposes***

Cold remedy

***Uses***

- reduces the duration of the common cold
- reduces the severity of cold symptoms: cough, sore throat, nasal congestion, post nasal drip and/or hoarseness

***Warnings***

**Do not use** for treatment of influenza or allergies. This product is intended only to reduce the duration of the common cold and its symptoms.

**Ask a doctor or pharmacist before use if you are** taking minocycline, doxycycline, tetracycline or are on Coumadin (warfarin) therapy. Zinc treatment may inhibit the absorption of these medicines.

**When using this product**

- do not take on an empty stomach (to avoid possible minor stomach upset)
- it may cause a laxative effect

**Stop use and ask your doctor if** symptoms persist more than 7 days

**If pregnant or breastfeeding,** ask a healthcare professional before use.

**Keep out of reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

## **Directions**

- take one lozenge at the onset of symptoms
- dissolve entire lozenge in mouth
- do not chew
- do not swallow whole
- do not eat or drink for 15 minutes after use
- repeat every 2-4 hours until symptoms subside

---

Adults 18 years and over	do not exceed 6 lozenges per day
Children 12 to under 18 years	do not exceed 4 lozenges per day
Children under 12 years	ask a doctor before use

---

## **Other information**

- store in a cool, dry place after opening
- best if used within 6 months after opening

## **Inactive ingredients**

acesulfame-K, glycine, isomalt, natural flavors
