Warnings

Liver warning: This product contains acetaminophen. Severe liver damage may occur if you take •more than 8 softgels in 24 hours, which is the maximum daily amount for this product •with other drugs containing acetaminophen •3 or more alcoholic drinks daily while using this product.

Allergy alert: Acetaminophen may cause severe skin reactions. Symptoms may include •skin reddening •blisters • rash. If a skin reaction occurs, stop use and seek medical help right away.

Sore throat warning: If sore throat is severe, lasts for more than 2 days, occurs with or is followed by fever, headache, rash, nausea or vomiting, consult a doctor promptly.

Do not use • with any other drug containing acetaminophen (prescription or nonprescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist •if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

Ask a doctor before use if you have

- liver disease •heart disease •thyroid disease •diabetes
- trouble urinating due to an enlarged prostate gland •cough that occurs with too much phlegm (mucus)
- persistent or chronic cough as occurs with smoking, asthma or emphysema

Ask a doctor or pharmacist before use if you are taking the blood thinning drug warfarin.

When using this product, do not use more than directed.

Stop use and ask a doctor if

•you get nervous, dizzy or sleepless •symptoms get worse or last more than 5 days (children) or 7 days (adults) •fever gets worse or lasts more than 3 days •redness or swelling is present •new symptoms occur •cough comes back or occurs with rash or headache that lasts. These could be signs of a serious condition.

If pregnant or breast feeding, ask a health professional before use.

Keep out of reach of children.

In case of accidental overdose, get medical help or contact a Poison Control Center right away. Quick medical attention is critical for adults as well as for children, even if you do not notice any signs or symptoms.

Directions

- take only as directed (see Warning)
 - do not exceed 4 doses per 24 hours
- Adults & Children 12 years & over:** 2 soft gels with water every 4 hours
Children 4 to under 12 years: Ask a doctor
Children under 4 years: Do not use

•When using other Daytime or Nighttime products, carefully read each label to ensure correct dosing.

Other information
