

**HEMORRHOIDAL PAIN RELIEF- mineral oil, petrolatum, phenylephrine  
hcl ointment  
WALGREENS**

-----  
**Walgreens Hemorrhoidal Pain Relief Ointment**

***Drug Facts***

***Active ingredients***

Mineral oil 14.0%  
Petrolatum 74.9%  
Phenylephrine HCl 0.25%

***Purposes***

Protectant  
Protectant  
Vasoconstrictor

***Uses***

- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily shrinks hemorrhoidal tissue and relieves burning
- temporarily provides a coating for relief of anorectal discomforts
- temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

***Warnings***

**For external and/or intrarectal use only**

**Ask a doctor before use if you have**

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to enlargement of the prostate gland

**Ask a doctor or pharmacist before use if you are**

presently taking a prescription drug for high blood pressure or depression.

**When using this product**

do not exceed the recommended daily dosage unless directed by a doctor

**Stop use and ask a doctor if**

- bleeding occurs
- condition worsens or does not improve within 7 days
- introduction of applicator into the rectum causes additional pain

**If pregnant or breast-feeding,**

ask a health professional before use.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away (1-800-222-1222).

***Directions***

- adults: when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before applying ointment.
- when first opening the tube, peel off the foil seal
- apply to the affected area up to 4 times daily, especially at night, in the morning or after each bowel movement
- intrarectal use:

- remove cover from applicator, attach applicator to tube, lubricate applicator well and gently insert applicator into the rectum

- thoroughly cleanse applicator after each use and replace cover

- also apply ointment to external area
- regular use provides continual therapy for relief of symptoms
- children under 12 years of age: ask a doctor

***Other information***

- store at 20-25°C (68-77°F)

***Inactive ingredients***

benzoic acid, butylated hydroxyanisole, corn oil, glycerin, lanolin, lanolin alcohols, methylparaben, paraffin, propylparaben, purified water, thymus vulgaris (thyme) flower/leaf oil, vitamin E acetate, white wax
