

**VICKS VAPOSTEAM LAVENDER- camphor, (-)- inhalant  
Kaz USA, Inc**

-----  
**Vicks Vaposteam Lavender**

***Drug Facts***

**Active ingredient**

Camphor (Synthetic) 6.2%

**Purpose**

Cough suppressant

**Uses**

- temporarily relieves cough associated with a cold
- temporarily helps you cough less.
- cough suppressant which temporarily controls the impulse to cough.
- temporarily helps to suppress the cough reflex that causes coughing.
- temporarily reduces the intensity of coughing.
- reduces your cough to help you rest.

**Warnings**

**For external use only.**

**Flammable**

Keep away from fire or flame.

For steam inhalation only. **DO NOT TAKE BY MOUTH.**

**Ask a doctor before use if you have**

- a persistent or chronic cough such as occurs with smoking, asthma or emphysema.
- cough that occurs with too much phlegm (mucus).

**When using this product, do not**

- heat
- microwave
- use near an open flame
- direct steam from the vaporizer or humidifier too close to the face.
- add to hot water or any container where heating water except when adding to cold water in a hot steam vaporizer. May cause splattering and result in burns.

**Stop use and ask a doctor if** cough persists for more than 1 week, tends to recur, or is accompanied by fever, rash or persistent headache. A persistent cough may be a

sign of a serious condition.

**If pregnant or breast-feeding**, ask a health professional before use.

**Keep out of reach of children.** In case of eye exposure flush eyes with water; or if swallowed, get medical help or contact a Poison Control Center right away.
