Active ingredient—
Zinc Oxide 22.75%

This daily moisturiser / sunscreen hybrid is high-performance, non-greasy, non-whitening, lightweight and easy to wear. It works (along with other sun protection measures) to help prevent premature ageing and protect against UV damage.

DIRECTIONS FOR USE — Apply generously to clean, dry skin every morning and again 15 minutes before sun exposure. Reapply at least every 2 hours, and after swimming, sweating or towel drying.

For external use only. Avoid prolonged exposure to the sun. Wear protective clothing, hats and eyewear when exposed to the sun. Avoid contact with eyes. Rinse with water if product comes into contact with them. We recommend patch testing before first use.

Ask a doctor before applying to children under 6 months of age. Store below 30°C. For full ingredients refer to carton. For more info about us, our range and for recycling details visit trilogyproducts.com.
