

**ANNA LOTAN PURIFYING PADS WITH 2% SALICYLIC ACID- salicylic acid cloth**  
Anna Lotan Ltd.

-----  
**anna lotan PRO PURIFYING PADS with 2% Salicylic Acid**

***Drug Facts***

***Active Ingredients***

Salicylic Acid 2%

***Purpose***

Acne Treatment

***Uses***

- For the treatment of acne.

***Warnings***

**For external use only.**

**Allergy alert:** do not use this product if you have a known allergy to Salicylic Acid.

**Do not use:** • on damaged and broken skin. • on large areas of the body.

**When using this product** • skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, use only one topical acne medication at a time.

**Keep out of reach of children** • If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

- Thoroughly cleanse the skin before applying the product.
- Using the pad, apply a thin layer to cover the entire affected area one to two times daily.
- Wash hands thoroughly after application.
- As excessive skin dryness may occur, begin with one application daily. Gradually, increase to two applications daily if needed or as directed by a physician.
- If significant dryness or peeling develops, reduce use to once daily or every other day.
- Do not leave the pad on prolonged contact with the skin.
- Avoid contact with the eyes, lips, and other mucous membranes.

**Other information**

- Keep tightly closed • store in a cool & dry place.

For Oily / Problem Skin

These hygienic, single-use **purifying pads** are specially formulated to support the daily skincare routine of **adolescents** with oily/acne prone skin. Each soft, non-woven pad is saturated with a unique, effective **cleansing solution** enriched with moisturizing components (Sodium PCA and Urea) to prevent over-drying; Purifying tree resins (Copaiba Balsam and Manuka oil) to support the **pore-purifying action of Salicylic Acid**, and reduce excess oiliness and impurities. Allantoin and Vitamin B5 (Panthenol) contribute to a calming, conditioning effect, leaving the skin smooth and fresh after use.

Excellent for use at home, or on the go - whenever skin needs quick, hygienic support.
