Cold-EEZE Cold Remedy UltraMELT Chews

Drug Facts

Active ingredient

Active ingredient (per tablet)

Zinc Gluconate 1X HPUS † (2.22%) (13.3 mg zinc)

† The letters 'HPUS' indicate that the active ingredient is in the official Homeopathic Pharmacopeia of the United States.

Purposes

Cold remedy

Uses

- reduces the duration of the common cold
- reduces the severity of cold symptoms: cough, sore throat, nasal congestion, post nasal drip and/or hoarseness

Warnings

Do not use for treatment of influenza or allergies. This product is intended only to reduce the duration of the common cold and its symptoms.

Ask a doctor or pharmacist before use if you are taking minocycline, doxycycline, tetracycline or are on Coumadin (warfarin) therapy. Zinc treatment may inhibit the absorption of these medicines.

When using this product do not take on an empty stomach (to avoid possible minor stomach upset)

Stop use and ask your doctor if symptoms persist more than 7 days

If pregnant or breastfeeding, ask a healthcare professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- take one chewable tablet at the onset of symptoms • chew slowly and dissolve completely in mouth before swallowing
- do not swallow whole • do not eat or drink for 15 minutes after use • repeat every 2-4 hours until symptoms subside

Adults 18 years and over	do not exceed 6 chewable tablets per day
Children 12 to under 18 years	do not exceed 4 chewable tablets per day
Children under 12 years	ask a doctor before use

Other information

- store in a cool, dry place after opening
- best if used within 6 months after opening
