- common pain and itching of swimmer's ear
- clogged ears
- ear pain or itching from other earaches after diagnosis by a doctor

Warnings

For use in ears only.

Do not use

if you have ear tubes, a damaged eardrum, or after surgery

Stop use and ask your doctor if

- symptoms persist for more than 48 hours or worsen
- symptoms are accompanied by a fever
- any discharge from the ear is present

If pregnant or breastfeeding,

seek professional advice before taking this product.

Keep out of the reach of children.

In case of accidental overdose, get medical help or contact a Poison Control Center right away.

Directions

- shake before use

adults and children ages 6 and older:

- tilt head sideways and apply 2-3 drops into the ear (tip of dropper should not enter the ear canal)
- keep head tilted and allow drops to remain in the ear for 2 minutes or gently place cotton in ear to keep drops in
- repeat as needed, up to 4 times a day

Other Information

- store in a cool dry place
- do not use if neckband seal is torn, broken, or missing

Inactive Ingredients

castor oil
