Good Neighbor Pharmacy® Single Saline Laxative
Laxative

Drug Facts

Active ingredients (in each 118 mL delivered dose)

Mineral oil 100%

Purpose

Lubricant laxative

Use

- for relief of occasional constipation

Warnings

For rectal use only

Ask a doctor before use if you have

- abdominal pain, nausea, or vomiting
- notice a sudden change in bowel habits that persists over a period of 2 weeks
- already used a laxative for more than 1 week

Stop use and ask a doctor if

- you have rectal bleeding or failure to have a bowel movement after use of a laxative because this may indicate a serious condition
- you need to use a laxative for more than one week

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away. (1-800-222-1222)

prevents reflux

Easy, soft squeeze
bottle

4.5 fl oz
(133 mL)

How to use this enema:

REMOVE GREEN PROTECTIVE SHIELD BEFORE INSERTING. HOLD BOTTLE UPRIGHT, GRASPING BOTTLE CAP WITH FINGERS. GRASP PROTECTIVE SHIELD WITH OTHER HAND AND PULL GENTLY TO REMOVE.

- With steady pressure, gently insert enema tip into rectum with a slight side-to-side movement, with tip pointing toward navel. Insertion may be easier if person receiving enema bears down, as if having a bowel movement. This helps relax the muscles around the anus.
- Do not force the enema tip into rectum as this can cause injury.
- Squeeze bottle until nearly all liquid is gone. It is not necessary to empty the bottle completely, as it contains more liquid than needed.
- Remove enema tip from rectum.
- Retain enema in accordance with doctor's instructions.

Positions for using this enema:

- Left-side position:** lie on left side with knee bent and arms at rest.

- Knee-chest position:** kneel, then lower head and chest forward until left side of face is resting on surface. Position arms comfortably.
