Multi-Defense Aqua UV Gel Broad Spectrum SPF 50 For All Skintypes

Professionally inspired next-generation protection: this powerful treatment helps safeguard the healthy beauty of your skin with a hybrid 3-in-1 defense for our most comprehensive, holistic protection ever. This Multi-Defense formula fights the visible effects of indoor and outdoor environmental assaults:

Inhibits UV Damage: Creates an invisible veil with SPF 50 to help protect against broad spectrum UVA/UVB exposure. This patent-pending formula, also featuring Tiger Lily Extract, helps skin continue to maintain its natural firmness.

Neutralizes Indoor/Outdoor Pollution: A precise combination of 8 potent antioxidants helps fight visible damage from unavoidable environmental aggressors like ozone, smoke, infrared (IR) and microdust.

Strengthens Skin's Barrier: Advanced fortifiers help seal in moisture, which can help prevent dehydration from external causes such as heating and air conditioning. Strengthens skin with all-day moisture.

The water-light gel emulsion applies with a refreshing burst of hydration. Absorbs quickly, leaving an invisible level of protection. Non-greasy, non-sticky. Won't clog pores. Leaves skin more radiant, smooth and protected, creating an ideal base for makeup.
