-----  
**81653-007 Update**

**Active Ingredient**

Minoxidil 5% w/v

**Purpose**

Hair regrowth treatment

**Use**

to regrow hair

**Warnings**

For external use only.

**Do not use if:**

You are a pregnant woman

Your amount of hair loss is different than that shown on the side of this carton or your hair loss is on the front of the scalp. 5% minoxidil topical foam is not intended for frontal baldness or receding hairline.

You suffer from metal allergies

You have no family history of hair loss.

Your hair loss is sudden and/or patchy.

You do not know the reason for your hair loss.

You are under 18 years of age. Do not use on babies and children.

Your scalp is red, inflamed, infected, irritated, or painful.

You use other medicines on the scalp.

**Ask a doctor before use if**

you have heart disease

**When using this product:**

Do not apply on other parts of the body

Avoid contact with the eyes. In case of accidental contact, rinse eyes with large amounts of cool tap water.

Some people have experienced changes in hair color and/or texture.

It takes time to regrow hair. Results may occur at 2 months with twice a day usage. For some people, you may need to use this product for at least 4 months before you see results. The amount of hair regrowth is different for each person. This product will not work for all people.

**Stop use and ask a doctor if:**

Chest pain, rapid heartbeat, faintness, or dizziness occurs.

Sudden, unexplained weight gain occurs.

Your hands or feet swell.

Scalp irritation or redness occurs.

Unwanted facial hair growth occurs

You do not see hair regrowth in 4 months.

**May be harmful if used when pregnant or breast-feeding**

**Keep out of reach of children.**

If swallowed, get medical help or contact Poison Control Center right away.

**Directions**

Men: Apply half a capful 2 times a day to the hair loss area.

Women: Apply half a capful 1 time a day to the hair loss area.

Massage to area with fingers, then wash hands well.

Using more and more often will not improve results.

**Other information:**

Hair growth has been shown in a clinical study of men (mostly white) aged 18-49 years who used it for 4 months.

Store at controlled room temperature 20° to 25° C (68° to 77° F) contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F(49°C)

**Inactive Ingredient**
