**DOSAGE & ADMINISTRATION**

- For the treatment of acne
- Clears acne pimples
- Helps prevent new acne pimples from forming.

**Acne treatment**

- Clean the skin thoroughly before applying this product.
- Take an appropriate amount and foam enough on your face then wash off with water.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Avoid using BHA-containing products on infants and children.

**Other Information**

- **Sunburn Alert:** This product contains an alpha hydroxy acid [AHA] that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.
- Test any product that contains a BHA on a small area of skin before applying it to a large area. If you use cosmetics with BHAS and experience skin irritation or prolonged stinging, stop using the product and consult your physician.
