LIVE YOUR BEST LIVES TOGETHER
For over 20 years, we've been working with veterinarians to help formulate Nutri-Vet products to ensure your pet is getting the right amount of the right ingredients. We call it Amounts that Count* and it's how we empower you to make better choices for your pet so you can live your best lives together.

PRODUCT FACTS
ACTIVE INGREDIENTS PER CHEWABLE:
Aspirin (min.) 300 mg
INACTIVE INGREDIENTS: Artificial Liver Flavor, FD&C Blue #2, FD&C Yellow #6, Microcrystalline Cellulose, Silicon Dioxide, Starch, Stearic Acid

WARNINGS: Only for use in adult dogs at least one (1) year of age. **Keep out of the reach of children and other animals.** In case of accidental overdose, contact a veterinarian immediately. Do not use if product appears to be tampered with.

STORAGE: Store product in cool, dry place. Avoid temperatures above 86° F.

CAUTIONS: The usage of this product in pregnant animals or animals intended for breeding has not been evaluated and is not recommended. If condition worsens and/or adverse symptoms occur (vomiting, lethargy, signs of weakness, black tarry stools, diarrhea, depression, or loss of appetite, etc.), stop administration immediately and consult your veterinarian. Do not use in dogs that are sensitive to aspirin or other non-steroidal anti-inflammatory drugs (NSAIDs) or dogs with existing medical conditions such as gastrointestinal disease or ulcers, bleeding problems, or liver/kidney impairment. Consult with your veterinarian prior to using in conjunction with other medications and/or supplements.

FOR USE IN ADULT DOGS ONLY: NUTRI-VET® ASPIRIN liver flavor chewables provide temporary relief of pain and inflammation associated with arthritis and joint problems in dogs over 50 lbs body weight.

DIRECTIONS FOR USE: An examination or consultation from a veterinarian should be conducted prior to using this product. Product is intended for temporary alleviation of pain and inflammation associated with arthritis and joint problems, not to exceed 3 days in a row. For dogs under 50 lbs use Nutri-Vet Aspirin for Small Dogs.

Body Weight	Dosage
50 - 74 lbs	1 tablet every 12 hours
75 - 99 lbs	1 ½ tablets every 12 hours
100+ lbs	2 tablets every 12 hours

This product should not be given to puppies less than one (1) year old, dogs weighing less than 50 lbs, or any species other than dogs.

Product should be given with food, no more than 30 minutes after the dog has consumed at least half its normal daily amount to minimize the risk of gastrointestinal upset.
