Scientifically formulated to treat problematic scalp conditions and create visibly healthier scalp and hair

Seborrheic Dermatitis Shampoo

Daily use will decrease scalp itching and scaliness

Developed with a salicylic acid and polyhydroxy acid formula to decrease scalp itching and scaliness associated with scalp conditions, such as psoriasis and seborrhea.

Control scalp conditions by sweeping away oil and dead skin cells from scalp and hair to create visibly healthier scalp and hair.

Formulated for all hair types, including

PHYSICIANS RECOMMENDED SHAMPOO
