

**IBEALEE NAIL PATCHES- ibealee nail patches patch  
Guangzhou Hanhai Trading Co., Ltd**

-----  
**83675-030 Update**

**Active Ingredient**

Tolnaftate 1%

**Purpose**

Anti-fungal

**Use**

- 1.Remove any nail polish before use.Wash nails and surrounding skin and dry thoroughly as oils and moisture reduce adhesion.
- 2.Tear off the protective paper of the patch and apply the patch to the need area of the nail.
- 3 Firmly cover the side of the toes or fingers with the patch.then fold the remaining adhesive part to completely cover the toes fingers tips.
- 4.The duration of application is 6-8 hours.(It is recommended to use it before going to bed for 3-6 consecutive months to achieve the desired effect.

**Warnings**

1. For external use only. Store in a cool and dry place.
2. If skin becomes red and swollen, or if burning, aching and other forms of irritation occur, cease using and seek medical advice at once.
3. It is normal to find bubbles in the colloid.
4. Keep out of reach of children.

**Stop Use**

This product has not been found allergic. If allergic occurs, stop using it immediately.

**Keep Oot Of Reach Of Children**

Please store this product out of the reach of children
