Purpose

Acne Treatment

Uses

- Helps fight existing acne breakouts and prevents future acne breakouts.

Warnings

For external use only.

When using this product

- skin irritation and dryness are more likely to occur when using another topical acne product at the same time. If irritation occurs, use only one acne product at a time.
- Avoid eye area. In case of eye contact, flush gently and thoroughly with water. Do not apply to broken or irritated skin.

Keep out of reach of children.

If swallowed, seek medical help.

Directions

- clean the skin thoroughly before applying this product.
- cover the entire affected area with a thin layer one to three times daily.
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use and ask a doctor.
