Uses

Helps promote and maintain healthy liver and kidney function.

Temporarily alleviates symptoms associated with overindulgence of food and alcohol.

Warnings

Stop use and ask a doctor if symptoms persist or worsen.

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Inactive ingredients

Ethanol (beet), purified water

Directions:

To be taken ten minutes away from food.

Children: Divided dosage by half and follow adult directions.

Invert bottle and shake lightly allowing for drops to fall directly under the tongue or into 1/4 oz. of water.

Hold contents for about 20 seconds and swallow.

To promote drop flow, invert bottle and shake before each use.

Adults and adolescents (12 years and older)

Take 10 drops three times daily or as recommended by your healthcare practitioner.

Children (under 12 years)

Take under the direction of your healthcare practitioner.
