

GOODYS HANGOVER- aspirin and caffeine powder

Medtech Products Inc.

Goodys Hangover

Drug Facts

Active ingredients (in each powder)

Purposes

Aspirin (NSAID*) 1000 mg.....Pain reliever

Caffeine 150 mg.....Alertness aid

*nonsteroidal anti-inflammatory drug

Uses

Temporarily relieves minor aches and pains due to:

- hangover
- headache
- muscle aches

Helps restore mental alertness when experiencing fatigue or drowsiness associated with a hangover

Warnings

Reye's syndrome: Children and teenagers who have or are recovering from chicken pox or flu-like symptoms should not use this product. When using this product, if changes in behavior with nausea and vomiting occur, consult a doctor because these symptoms could be an early sign of Reye's syndrome, a rare but serious illness.

Allergy Alert: Aspirin may cause severe allergic reaction which may include:

- hives • facial swelling • shock • asthma (wheezing).

Stomach bleeding warning: This product contains an NSAID, which may cause severe stomach bleeding. The chance is higher if you

- are age 60 or older
- have had stomach ulcers or bleeding problems
- take a blood thinning (anticoagulant) or steroid drug
- take other drugs containing prescription or non-prescription NSAIDs (aspirin, ibuprofen, naproxen, or others)

- have 3 or more alcoholic drinks every day while using this product
- take more or for a longer time than directed.

Caffeine warning:

The recommended dose of this product contains about as much caffeine as a cup of coffee. Limit the use of caffeine-containing medications, foods, or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and, occasionally, rapid heart beat.

Do not use

- for more than 2 days for a hangover unless directed by a doctor. Not intended for use as a substitute for sleep. If fatigue or drowsiness persists or continues to recur, consult a doctor.
- if you have ever had an allergic reaction to aspirin or any other pain reliever/fever reducer
- in children under 12 years of age

Ask a doctor before use if

- stomach bleeding warning applies to you
- you have a history of stomach problems, such as heartburn
- you have high blood pressure, heart disease, liver cirrhosis, or kidney disease
- you are taking a diuretic
- you have asthma

Ask a doctor or pharmacist before use if you are

taking a prescription drug for ■ diabetes ■ gout ■ arthritis

Stop use and ask a doctor if

- an allergic reaction occurs. Seek medical help right away
- you experience any of the following signs of stomach bleeding
- feel faint • vomit blood • have bloody or black stool
- have stomach pain that does not get better
- any new symptoms appear
- ringing in the ears or a loss of hearing occurs

These could be signs of a serious condition.

If pregnant or breast-feeding,

ask a health professional before use. It is especially important not to use aspirin during the last 3 months of pregnancy unless definitely directed to do so by a doctor because it may cause problems in the unborn child or complications during delivery.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

- **Adults and children 12 years and over:** place 1 powder on tongue every 6 hours, while symptoms persist. Drink a full glass of water or other liquid.
- Do not take more than 4 powders in 24 hours unless directed by a doctor.
- **Children under 12 years:** ask a doctor.

Other information

Store below 25°C (77°F)

Inactive ingredients

colloidal silicon dioxide, flavor, guar gum, mannitol, microcrystalline cellulose, sucralose, xylitol.
