Net weight 1.7 oz (48g) per product with 1.25% anti-deodorant claims.

**Who is Suave® clinical protection for?**  
Anyone who is looking for extra wetness protection.

**Directions:**  
For maximum protection, apply to underarms before bed. While resting, Suave Clinical Protection forms a deep level of protection that lasts throughout the following day, even after a shower. Suave Clinical Protection can also be applied in the morning.

**Questions?**  
If you have any questions about application or usage, please call 1-800-782-8301
