

NASAL SOLUTION- nasal solution liquid

Bullet Point LLC

Nasal Solution

Povidone-iodine 1%

Purified water, xylitol, vitamin D3, polysorbate, gellan gum, carrageenan, sodium hydroxide, aloe vera.

- *Gently washes and soothes the delicate nasal passage.
- *Helps clean away viruses, pollen, dust, and other airborne contaminants and germs.
- Thins and loosens mucus secretion.
- *Aids in improving airflow.
- *Powerful sinus protection.
- *Fast congestion relief.

Uses:

- *Congested nose and sinuses.
- *Irritated and itchy nose.
- *Nasal exposure to bacteria, dust and other airborne contaminants.

Avoid use if you're allergic to iodine or inactive ingredient(s). Avoid contact in the eyes. Avoid use on children under 3 years old.

Stop use and consult a doctor if symptoms persist or worsen, swelling, infection, rash or fever occurs. If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact the poison control center right away.

If pregnant or breast-feeding, ask a health professional before use.

Use of container by more than one person can spread infection.

Directions:

Adults and children over 6 years of age: 1 spray in each nostril not more than 3 times in any 24-hour period. Children under 6 years of age: Consult a doctor.

For the first time - Remove safety seal and original cap from bottle. Insert dip tube into bottle, and screw on.

Gently blow your nose to clear the nasal passageway. Shake the product well, remove the cap, and then spray it quickly and firmly up your nostril.

Do not tilt your head backward during spraying. After use, wipe the spray nozzle clean and securely reattach the cap.

NOVEHA's Powerful Nasal Solution with:

Povidone Iodine:

Supports nasal comfort and eases minor issues by helping reduce bacterial adhesion.

Xylitol:

Aids in preventing sinus and respiratory discomfort by washing away pollutants, irritants and airborne contaminants and can aid in the increase of airflow.

Vitamin D3:

Eases nasal congestion and boosts immunity.

Aloe Vera:

Hydrates nasal passages.

Shake bottle vigorously before each use.

Remove cap, then spray directly up the nostril quickly and firmly without tilting your head backward.

Wipe spray nozzle clean and securely reattach the cap. Ensure not to share applicators.
