Keratex Hoof Hardener

For soundness and reliability

Strengthens and protects shod and unshod hooves; prevents cracks and hoof breakage so that shoes stay on tight and the horse remains sound.

Ideal for: Weak hooves. Horses that are worked barefoot. Brood mares, foals and yearlings. Soft soles prone to bruising.

Keratex Hoof Hardener strengthens the molecular structure of the hoof horn and soles by cross-linking keratin. With no surface coating residue, the foot is still able to 'breathe'. You will quickly notice an improvement in your horse's hooves.

Instructions For Use: Apply to the lower half of the hoof and sole, avoiding coronary band and frog. Use daily for one week then twice weekly for general maintenance.

Keep away from horse's eyes, nose and mouth. Not to be used on animals intended for human consumption. For external application to equine hooves only.

Toxic if swallowed. Causes severe skin burns and eye damage. May cause an allergic skin reaction. Suspected of causing genetic defects. May cause cancer. Causes damage to organs. Obtain special instructions before use. Do not breathe vapour. Avoid direct contact. Wear protective gloves / protective clothing / eye protection / face protection. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If exposed or concerned: Get medical advice/attention. Do not induce vomiting. Do not eat, drink or smoke when using this product. Dispose of contents/container in accordance with local regulations. For professional use only. Keep away from children. Store locked up. Keep container tightly closed. Use only in a well-ventilated area.

Hoof Hardener Ingredients Statement. This product contains: Aluminium chloride hexahydrate CAS No. 7784-13-6. Glycerine (glycerol) CAS No. 56-81-5. Formaldehyde CAS No. 50-00-0. Ethyl alcohol CAS No. 64-17-5. Methyl alcohol CAS No. 67-56-1. Methyl salicylate CAS No. 119-36-8. Water.

Patent: No. 2250196

8.45 fl oz (250ml)

FOR EXTERNAL APPLICATION  
TO EQUINE HOOVES ONLY
