Contains – Capsicum, Aloe, and Xylitol

XlearMax Sinus Spray™ contains the natural ingredient capsicum known for its fast-acting relief of sinus congestion and headache symptoms due to sinus pressure. XlearMax™ also has Aloe Vera to soothe irritated tissues in the nose and sinuses.

The addition of xylitol safely makes the solution hypertonic, allowing it to reduce sinus tissue swelling without steroids. Xylitol also moisturizes and protects delicate sinus tissues. XlearMax effectively alleviates even the most severe cases of congestion and opens up the airway so you can breathe easily again.

RELIEF FROM SEASONAL ALLERGIES

NOTE: You may experience a burning sensation. It is a normal and natural result as the capsicum takes effect. Use as needed, but not intended for daily use. For daily maintenance use Xlear Nasal Spray.
