Headache Man

No More Pills!TM, One ShotTM, Liquid Headache Pain Relief

Drug Facts

Active Ingredient

Acetaminophen 650mg

Purpose

Pain reliever/fever reducer

Uses

Temporarily relieves minor aches and pains due to:

- headache
- sore throat
- minor pain of arthritis
- muscle aches
- cold and flu
- toothache
- premenstrual and menstrual cramps
- temporarily reduces fever

Warnings

Liver warning

This product contains acetaminophen. Severe liver damage may occur if you take

- more than 6 bottles in 24 hours, which is the maximum daily amount for this product
- with other drugs containing acetaminophen
- 3 or more alcoholic drinks daily, while using this product

Allergy alert

Acetaminophen may cause severe skin reactions.

Symptoms may include

- skin reddening
- blisters
- rash

If a skin reaction occurs, stop use and seek medical help right away.

Sore throat warning

If sore throat is severe, lasts for more than 2 days, is accompanied or followed by fever, headache, rash, nausea, or vomiting, consult a doctor promptly.

Do not use

- with any other drug containing acetaminophen (prescription or non-prescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.

Ask a doctor before use if you have liver disease

Ask a doctor or pharmacist before use if you are taking the blood thinning drug warfarin.

Stop use and ask a doctor if

- pain gets worse or lasts more than 10 days
- fever gets worse or lasts more than 3 days
- new symptoms occur
- redness or swelling is present

These could be signs of a serious condition.

If pregnant or breast feeding, ask a healthcare professional before use.

Keep out of reach of children.

Overdose warning

In case of overdose, get medical help or contact a Poison Control Center (800-222-1222) right away. Quick medical attention is critical for adults as well as children even if you do not notice any signs or symptoms.

Directions

- **do not take more than directed (see overdose warning)**
- adults: take one Headache Man One Shot™ every 4 to 6 hours, or as directed by a doctor, while symptoms persist; do not take more than 6 Headache Man Shots™ in 24 hours.
- children under 12 years of age: do not use

Other information

- store at 20-25°C (68-77°F)
- do not use if neckband on bottle is broken or missing
- each 50 mL bottle contains: **sodium 8 mg**

Inactive ingredients

citric acid, ethyl alcohol (1.1%), gellan (low acyl), hydroxypropyl betadex, lemon flavor (organic), natural flavors, propylene glycol, sodium benzoate, sucrose, water.
