## **Directions**

1. unscrew the cap. For first-time use, remove the seal at the bottle mouth with scissors.
2. Clean and dry the affected area. Squeeze the bottle gently to apply the liquid evenly, let it dry into a film, and apply once more.
3. After use, seal the cap tightly to avoid air exposure and potential crystallization.
4. Apply once in the morning and once in the evening, with double application each time. For foot-related issues, nighttime application is recommended for less friction and improved penetration.
5. Continue daily application for two weeks until the skin is fully restored.

## **Other information**

store at room temperature in a sealed condition.

## **Inactive ingredients**

Bassia Scoparia Fruit, Dictamnus Dasycarpus Root Bark, Gleditsia Sinensis Thorn, Typhonium Giganteum Stem
