

WALGREENS KINESIOLOGY PAIN RELIEF- lidocaine, menthol tape
Walgreen Co.

Walgreens Kinesiology + Pain Relief Tape

Drug Facts

Active ingredients

Lidocaine 4%

Menthol 1%

Purpose

Topical anesthetic

Topical analgesic

Use

For temporary relief of pain

Warning

For external use only

Do not use

- On cut, irritated or swollen skin
- On puncture wounds
- For more than one week without consulting a doctor
- If you are allergic to any active or inactive ingredients

When using this product

- Use only as directed
- Apply only to clean dry and untreated skin
- Read and follow all directions and warnings
- Do not allow contact with the eyes
- Do not use at the same time as other topical analgesics
- Do not bandage tightly or apply local heat (such as heating pads) to the area of use
- Do not microwave
- Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests this patch

Stop use and consult a doctor if

- Condition worsens

- Redness is present
- Irritation develops
- Symptoms persist for more than 7 days or clear up and occur again within a few days
- You experience signs of skin injury, such as pain, swelling or blistering where the product was applied

If pregnant or breastfeeding,

ask a health professional before use.

Keep out of reach of children and pets.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Adults and children 12 years of age and over:

- Clean and dry affected area.
- Carefully remove backing from patch starting at a corner
- Apply sticky side of patch to affected area
- Discard after single use

Children under 12 years of age: consult a physician.

Other information

- Store in a clean, dry place outside of direct sunlight
- Protect from excessive moisture
