CVS PHARMACY

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

drug facts

Active ingredient	Purpose
Salicylic Acid, 2%.....	Acne medication

Use

- for the treatment of acne

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- cleanse face and rinse thoroughly before applying medication
- wipe pad over face and neck covering the affected area
- excessive drying of the skin may occur - start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- use daily for best results

Other Information

- store in a cool dry place
- close jar tightly

Warnings

For external use only.

Flammable until dry,

keep away from extreme heat or open flame.

When using this product

- with other topical acne medications, at the same time or immediately following use of this product, increased dryness or irritation may occur. If this occurs, only one acne medication should be used unless directed by a doctor
- avoid contact with eyes

Stop use and ask a doctor if skin irritation occurs

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- cleanse face and rinse thoroughly before applying medication

- excessive drying of the skin may occur - start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- use daily for best results

Other Information

- store in a cool dry place
- close jar tightly

Inactive Ingredients purified water, alcohol denat., PEG-8, propylene glycol, sodium lauryl sulfate, fragrance, citric acid, menthol, disodium EDTA.

The image shows the top portion of a blue and white CVS Pharmacy Daily Pore Clearing Pads box. On the left, the CVS Pharmacy logo is visible. In the center, a large white circle contains the text "daily pore clearing pads". To the right of the circle, it says "2% salicylic acid acne medication" and "Dual action pads exfoliate & deep clean". Below this, it states "Compare to the active ingredient in Clearasil® Daily Pore Cleansing Pads*" and "90 Pads 3.58 in² (23.1 cm²)". On the far right, there is a barcode with the number "0 50428 15294 2" and a vertical number "# 697543". A "Peel Here" arrow points to the right. At the bottom right, the code "L196CVS90CT-4" is printed.

This image shows the bottom portion of the CVS Pharmacy Daily Pore Clearing Pads box, including the "Drug Facts" and "Directions" panels. The top left corner has a handwritten "#10". The "Drug Facts" panel is divided into sections: "Active ingredient" (Salicylic acid 2%), "Purpose" (Acne medication), "Use" (for the treatment of acne), "Warnings" (For external use only, Flammable until dry, keep away from extreme heat or open flame), "When using this product" (with other topical acne medications, avoid contact with eyes), and "Stop use and ask a doctor if skin irritation occurs". The "Directions" panel provides detailed instructions on how to use the pads and when to reduce application. The "Other information" section repeats the storage instructions. The "Inactive ingredients" section lists: purified water, alcohol denat., PEG-8, propylene glycol, sodium lauryl sulfate, fragrance, citric acid, menthol, disodium EDTA.
