DESCRIPTION

This potent daily antioxidant serum contains 10% L-ascorbic acid, along with a GenRx Complex® to further enhance the serum's effects. It helps protect against free radicals throughout the day, brightens skin tone, and lessens signs of previous skin damage.

Key Benefits:

- A potent antioxidant that strengthens the skin's natural defenses, brightening the skin and minimizing the effects of previous visible damage.
- Improves the look of wrinkles and fine lines, benefiting the skin.
- Strengthens the skin's defense mechanisms against free radicals and environmental stressors.
- Essential for collagen biosynthesis and has the antiaging effect

Safety Information:

- Only for external use.
- Avoid making direct contact with your lips, mouth, nose, or eyes.
- A very small number of users of this product might experience a slight tingling; this should go away with continued use.
- If tingling gets worse, stop using and get medical attention.

Direction:

Step 1: Cleanse the face, then apply 4-5 drops of serum in the morning after cleansing and toning.

Step 2: Wait for the serum to be absorbed into the skin.

Step 3: Apply moisturizer and SPF.
