

**VIVANT BP10% GEL MEDICATION- benzoyl peroxide gel**  
**Vivant Pharmaceuticals, LLC**

-----  
**Vivant BP10% Gel Medication**

***Active ingredient***

Benzoyl peroxide 3%

***Purpose***

Acne treatment

***Use***

for the treatment of acne

***Warnings***

For external use only

**Do not use**

if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

**When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

**Stop use and ask a doctor if**

irritation becomes severe

**Keep out of reach of children.**

If a product is swallowed, get medical help or contact a Poison Control Center right away. Avoid contact with eyes. If contact occurs, flus thoroughly with water.

***Directions***

Directions ■ Clean the skin thoroughly before applying this product ■ Cover the entire affected area with a thin layer one to three times daily ■ Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by the doctor ■ If bothersome dryness or peeling occurs, reduce application to once a day or every other day ■ If going outside, apply sunscreen after using this product ■ If irritation or sensitivity develops, stop using this product and ask a

doctor.

### ***Inactive Ingredients***

Inactive Ingredients: Water, Ammonium Lauryl Sulfate, Glycerin, Propylene Glycol, Disodium Cocoamphodiacetate, Carbomer, Sodium Hydroxide

### ***Other Information***

Other Information

■ Keep tightly closed. Avoid storing at temperatures above 90°F.
