Uses

- Antimicrobial and protective.
- Protects and hydrates oral cavity.
- Promotes oral health.

- Supports healthy gums.
- Freshens breath.

Directions

Adults and children over the age of 6 years: Shake well. Use 3/4 tablespoon (10 ml) per application 3 times a day or as recommended by a dental professional. Swish in the mouth for 1-2 minutes and then spit out. Do not swallow. Refrain from eating or drinking for at least 20 minutes after use. Consult your healthcare professional for use in children under 6 years of age.

Keep out of reach of children

■ Keep this and all drugs out of the reach of children and pets. In case of accidental overdose, seek professional assistance or contact a poison control center immediately.

Pregnancy and breast feeding

■ As with any drug, if you are pregnant or nursing a baby, seek the advice of a healthcare professional before using this product.

Other information

- Store at room temperature.
- Keep away from direct heat or sunlight.
- Because of natural ingredients, color may vary over time.
- Use within 60 days of opening.

Warnings

For your protection, this bottle has an inner seal under the cap. Do not use if tamper evident cap seal is broken or missing.

Stop use

- Stop use and consult a healthcare professional if you experience irritation or unusual sensitivity, or develop a rash.
- If pain, swelling or other related symptoms persist for more than 7 days of use, contact a dental professional.

Inactive Ingredients

Alcohol, Allantoin, Citric acid, Coconut flavor, Glycerin, Potassium sorbate, Propolis, Purified water, Sodium benzoate, Xylitol.
