

# **ACNE BANISHING BODY- salicylic acid spray**

## **Inspec Solutions**

-----

### **Panoxyl Acne Banishing Body Spray**

#### **Active Ingredients**

Salicylic Acid (2.0%)

#### **Purpose**

Acne treatment

#### **Use**

For the treatment of acne

#### **Warnings**

**For external use only**

**Flammable**

**Avoid Spraying in eyes**

**Content under pressure**

#### **Do not use**

- In or near eyes. If contact occurs, flush thoroughly with water.
- If irritation or redness develops, discontinue use.

#### **When using this product**

- Apply to affected areas only.
- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

#### **Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

#### **Directions**

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every

other day.
