

HERSTAT- moisturizing lip protectant liquid
Herstat (USA) Inc.

HERSTAT

Moisturizing Lip Protectant

Active Ingredient

White Petrolatum 89.5%

Purpose

Skin Protectant

Uses

- Relieves dryness and softens crust (scabs) associated with cold sores and fever blisters.
- Helps prevent and temporarily protects chapped or cracked lips

Warnings

For external use only.

When using this product:

- Do not get into eyes.
- Test on a small area of your forearm before use.
- Propolis may cause skin irritation.
- Discontinue use if rash appears.
- This product should not be used in or around the eyes.
- Do not use if allergic to bee stings or bee by-products.

Stop using and ask a doctor if:

- Condition worsens.
- Symptoms last more than 7 days or clear up and occur again within a few days.
- As with any product, ask a doctor before use if pregnant or breast-feeding.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Apply as soon as symptoms and signs of cold sore appear directly to the affected area every 2 hours é 5 times per day. Always wash your hands after touching the sore to avoid spreading the infection.

Other

Close cap tightly and store in a cool, dry place.

Inactive Ingredients

Mineral Oil, Propolis extract, Ethanol, Lanolin
