

**DERMACHANGE JOCK- miconazole nitrate powder**  
**Private label Beauty and Wellness**

-----  
**Dermachange Foot and Jock Powder, 2% Miconazole Nitrate**

Miconazole Nitrate 2%

Antifungal

For the cure of athlete's foot and jock itch. Relieves itching and chafing associated with jock itch.

**For external use only. Do not use on** children under 2 years of age unless directed by a doctor or for diaper rash. **When using this product** avoid contact with the eyes. **Stop use and ask a doctor if** irritation occurs or if there is no improvement within 2 weeks.

If swallowed, get medical help or contact a Poison Control Center right away.

**Jock Powder**

Cleanse the affected area and dry thoroughly. Apply a thin layer of the product over the affected area twice daily or as directed by a doctor.

Supervise children in the use of this product.

Use daily for 2 weeks.

If the condition persists, consult a doctor.

This product is not effective on the scalp or nails.

**Foot Powder**

Cleanse the affected area and dry thoroughly. Apply a thin layer of the product over the affected area twice daily or as directed by a doctor.

For athlete's foot: pay special attention to space between toes; wear well-fitting ventilated shoes and change socks at least once daily.

Supervise children in the use of this product.

Use daily for 4 weeks.

If the condition persists, consult a doctor.

This product is not effective on the scalp or nails.

Corn Starch, Fragrance, Potassium Sorbate, Rice Starch, Sodium Benzoate.
