

PROACTIV PLUS PORE TARGETING TREATMENT- benzoyl peroxide gel
Alchemee, LLC

Proactiv+ Pore Targeting Treatment

Drug Facts

Active ingredient

Benzoyl peroxide 2.5%

Purpose

Acne treatment

Use

for the management of acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide.

Stop use and ask a doctor

- if irritation becomes severe.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- *Sensitivity Test for a New User.* Apply product sparingly to one or two small affected

areas during the first 3 days. If no discomfort occurs, follow the directions stated below.

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Inactive ingredients

carbomer, disodium EDTA, ethoxydiglycol, fragrance, glycerin, polysorbate 60, polysorbate 80, potassium hydroxide, prunus amygdalus dulcis (sweet almond) oil, sorbitan stearate, water
