When Using this Product

- using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one acne medication should be used unless directed by a doctor.
- Apply to affected areas only. Do not use on broken skin or apply to large areas of the body.

Instructions for Use

Cleanse the skin thoroughly before applying medication. Moisten a cotton ball with the lotion and cover the entire affected area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
