

**VMV HYPOALLERGENICS ARMADA SPORT 50- avobenzone, homosalate, octisalate cream
SKIN SCIENCES LABORATORY INC.**

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredients

Active Ingredients

Avobenzone

Homosalate

Octisalate

Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see Direction), decrease the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only

Do not use on damaged skin or broken skin

Stop use and ask doctor if rash occurs

When using this product keep out of eyes. Rinse with water to remove.

Directions

- Apply liberally 15 minutes before sun exposure. Use daily, both indoors and outdoors.
- Use water resistant sunscreen if swimming or sweating.
- Reapply at least every 2 hours.
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease the risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measuring including:
 - Limit time in the sun, especially from 10a.m. to 2 p.m.
 - Wear long-sleeved shirt, pants, hats and sunglasses.
 - Children under 6 months: Ask a doctor.

Other Information

- Protect the product in this container from excessive heat and direct sun.
- Before use, test a tiny amount on skin (we omit allergens, but you may be sensitive to an ingredient that is not an allergen).
- Introduce new skin products one at a time, with at least 3 days in between.
- Do not (re) introduce removed portions of product or other substances into container

Inactive Ingredients

Aqua/Water/Eau, Butylene Glycol, Camellia Sinensis Leaf Extract, Caprylyl Glycol, Carbomer, Cyclopentasiloxane, Dimethicone/Vinyl Dimethicone Crosspolymer, Ethylhexyl Methoxycrylene,

Glyceryl Laurate, Octyldodecyl Neopentanoate, Sodium Hydroxide, Sodium Phytate, Steareth-2, Steareth-21, VP/Hexadecene Copolymer.

Purpose

Purpose

Sunscreen

Important

Keep out of reach of children, if swallowed, get medical help or contact a Poison Control Center right away.

PRINCIPAL DISPLAY PANEL

| <p>DURING ACTIVE FLARE-UPS: As skin can be irritated even with plain water during flare-ups, do not use this or any product on skin during a flare-up: consult your dermatologist or wait until the flare-up subsides.</p> <p>IMPORTANT: For external use only on specified areas as directed. Stop use and consult a doctor in the unlikely event of discomfort or sensitivity. If contact with eyes occurs, flush out with plenty of water. Keep out of reach of children. While safe for its intended use, ingesting large amounts of this product is potentially harmful — if this happens, get medical help right away.</p>  <p>BEST USED BY 10/2011 LOT J91</p> | <p style="text-align: center;">.....
