

ISOPROPYL ALCOHOL PREP PAD- isopropyl alcohol swab
LernaPharm Loris Inc.

Drug Facts

Active Ingredient (in each swab)

Isopropyl Alcohol 70%v/v

Purpose

Antiseptic

Uses

For preparation of the skin prior to an injection. Helps reduce bacteria that potentially can cause skin infection.

Warnings

Flammable, keep away from fire or flame. Do not use with electrocautery procedures. **For external use only.** Do not use in the eyes. Discontinue use if irritation and redness develop. If condition persists for more than 72 hours consult a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Tear open individual swab and apply product to the injection site prior to an injection. Rub skin briskly in circular motion from injection site outward.

Other information

Store at room temperature between 59 - 86 °F (15 - 30 °C)

Inactive Ingredients

Purified water
