Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Uses

- For hand washing to decrease bacteria on the skin.
- Recommended for repeated use.
- Dries in seconds

Warnings

- **Flammable, keep away from fire or flame.**
- **For external use only.**
- Do not use in or contact the eyes.
- Discontinue use if irritation and redness develop. If condition persist for more than 72 hours consult a physician.
- If swallowed, get medical help or contact a Poison Control Center immediately.

- **Keep this out of reach of children** unless under adult supervision.

Directions

- To start feed: Remove cover and discard seal from container. From center of wipe roll, pull up wipe corner; tear off first wipe for use. Twist next wipe into a point and thread through the hole in the container cover. Pull through about one inch. Replace cover. Pull out wipes as needed and snap off at 90° angle. Keep center cap closed to prevent moisture loss.
- Wipe hands, fingers, interdigital areas and wrists thoroughly with towelette. Be sure to utilize the entire wipe surface. Allow to dry.
- For dirty hands, use first wipe to clean hands, then discard wipe; sanitize with second wipe.
- Discard after single use.

Other information

Lot No. and Expiration Date can be found on canister

Dosage

For dirty hands, use first wipe to clean hands, then discard wipe; sanitize with second wipe. Discard after single use.
