ROOTED IN TRADITION

A member of the geranium family, the Umcka® (*Pelargonium sidoides*) roots have been traditionally used to relieve respiratory ailments. We go directly to the source, like the grasslands of Southern Africa where *Pelargonium sidoides* roots flourish. We partner with farmers who have tended this land for generations and know firsthand the benefits of their natural environment. Because with Nature's Way®, you can always trust that you're getting the best herbs the earth has to offer.

SOUTH AFRICAN GERANIUM FLOWER

TAMPER EVIDENT. Safety sealed with outer shrink band and inner seal. Do not use if either seal is broken or missing.
