**Uses\***

- Temporarily relieves symptoms of dizziness and nausea aggravated by or associated with motion. Useful for sea, car, and air sickness as well as motion sickness induced by amusement park rides.

**Warnings**

- **For external use only.** Do not apply to broken or irritated skin.
- If skin sensitivity occurs, **discontinue use.**
- If you have extremely sensitive skin or have had reactions to other adhesives **do not use this product.**
- **Ask a doctor** before use: **if pregnant or nursing;** In children under 4 years of age.
- Consult a physician if symptoms persist for more than 7 days or worsen.
- **Keep out of the reach of children.**

**Directions**

For best results apply GoPatch before engaging in activities which promote motion sickness. GoPatch can also be used after motion sickness has already started. GoPatch must completely cover the navel. Skin around navel needs to be clean, dry and free of lotions.

- Remove white backing from one side of GoPatch.
- Smooth over half of navel.
- Remove other half of white backing, smooth remainder over navel.

**Remove GoPatch no more than 12 hours after application .**

Temporarily relieves symptoms of dizziness and nausea aggravated by or associated with motion. Useful for sea, car, and air sickness as well as motion sickness induced by amusement park rides.
