**Neutrogena SkinClearing Oil-Free Makeup**

***Drug Facts***

**Active ingredient**

Salicylic Acid (0.5%)

**Purpose**

Acne treatment

**Use**

For the treatment of acne

**Warnings**

**For external use only.**

## **When using this product**

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

## **Directions**

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

## **Other Information**

Store at Room Temperature
