

**DAVV MINOXIDIL TOPICAL SOLUTION MENS HAIR REGROWTH TREATMENT-
minoxidil liquid
Good Manager Holdings Inc**

DAVV Minoxidil Topical Solution Men's Hair Regrowth Treatment (5%)

Drug Facts

Active ingredient

Minoxidil 5%

Purpose

Hair Regrowth Treatment for Men

Use

to regrow hair on the top of the scalp (vertex only, see picture on side of carton)

Warnings

For external use only. For use by men only.

Flammable:Keep away from fire or flame

Do not use if

- you are a woman
- your amount of hair loss is different than that shown on the side of this carton or your hair loss is on the front of the scalp. 5% minoxidil topical solution is not intended for frontal baldness or receding hairline
- you have no family history of hair loss
- your hair loss is sudden and/or patchy
- you do not know the reason for your hair loss
- you are under 18 years of age. Do not use on babies and children
- your scalp is red, inflamed, infected, irritated or painful
- you use other medicines on the scalp

Ask a doctor before use if you have

heart disease

When using this product

- do not apply on other part of the body
- avoid contact with the eyes. In case of accidental contact, rinse eyes with large amount of cool tap water
- some people have experienced changes in hair colour and/or texture

- it takes time to regrow hair. Results may occur at 2 months with twice a day usage. For some men you may need to use this product for at least 4 months before you see results.
- the amount of hair regrowth is different for each person. This product will not work for all men.

Stop use and ask a doctor if

- chest pain, rapid heartbeat, faintness, or dizziness occurs
- sudden, unexplained weight gain occurs
- your hands or feet swell
- scalp irritation or redness occurs
- unwanted facial hair growth occurs
- you do not see hair regrowth in 4 months

May be harmful if used

when pregnant or breast-feeding.**Keep out of reach of children and pets.**

If swallowed, get medical help, or contact a Poison Control Center right away.

Directions

- apply one mL with dropper 2 times a days directly onto the scalp in the hair loss area
- using more or more often will not improve results
- continued use is necessary to increase and keep your hair regrowth, or hair loss will begin again

Other information

- see hair loss pictures on side of this carton
- before use, read all information on carton and enclosed leaflet
- keep the carton. It contains important information
- hair regrowth has not been shown to last longer than 48 weeks in large clinical trials with continuous treatment with 5% minoxidil topical solution for men
- in clinical studies of mostly white men aged 18-49 years with moderate degrees of hair loss, 5% minoxidil topical solution for men provided more hair regrowth than 2% minoxidil topical solution

Inactive ingredients:

Alcohol, Propylene Glycol, Purified Water
