Drug Facts

Active ingredients	Purpose
Sulfur 10%	Acne treatment

Uses

- For the treatment of acne.
- Reduces the severity of acne pimples and allows skin to heal.

Warnings

For external use only

When using this product • skin irritation and dryness is more likely to occur if you are using another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. • If swallowed, call a Poison Control Centre or get medical help right away.

Do not use on • broken skin • on large areas of the skin.

When using this product • apply only to areas with acne.

Directions • cleanse skin thoroughly before applying product • dispense a small amount of powder onto a clean finger and apply directly to acne spot • rub into skin • do not rinse off • cover the entire affected area with a thin layer one to three times daily • because excessive drying of the skin may occur, start with one application daily; then gradually increase to two or three times daily if needed or as directed by a doctor • if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other information

Powder may settle over time.

Inactive ingredients

Acacia Senegal Gum, Chlorphenesin, Citric Acid, Ethylhexylglycerin, Glycerin, Kaolin, Levocarnitine, Niacinamide, Phenoxethanol, Poly-L-Lysine (30000-70000 MW), Propanediol, Silica Silylate, Sodium Citrate, Water.
