Footworks Arthritis Achy Foot and Muscle Cream

Active ingredient

Methyl Salicylate
25%.....

Purpose

.....Topical analgesic

Uses

- for the temporary relief of minor aches and pains of muscles and joints associated with arthritis, strains, bruises and sprains
- provides penetrating pain relief
- provides warming pain relief

Warnings

For external use only

Do not use

- if allergic to salicylates or if taking anticoagulant medications

When using this product

- use only as directed
- avoid contact with the eyes or mucous membranes. If contact occurs, flush thoroughly with water.
- do not apply to wounds, damaged or irritated skin
- do not bandage
- do not use with a heating pad. The application of external heat, such as an electric heating pad, may result in excessive skin irritation or skin burn.

Stop use and ask a doctor if

- condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days

Keep out of reach of children to avoid accidental poisoning. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Adults and children 2 years of age and older:

- apply to affected area not more than 3 to 4 times daily

Children under 2 years of age:

- consult a doctor
